INTRODUCTION

This publication presents Kansas employment and wages for the first quarter of 2005. The Quarterly Census of Employment and Wages (QCEW) report, a compilation of data collected from the employer's Quarterly Wage Report and Unemployment Tax Return (Form K-CNS 1001) and the Multiple Worksite Report (BLS 3020), is the source of information for this publication.

Quarterly average employment and wages for the State and the Metropolitan Statistical Areas (MSAs) are included. Statewide and MSA data are presented by North American Industry Classification System (NAICS) two-digit sector and three-digit subsector codes. NAICS provides enhanced industry comparability among the three North American Free Trade Agreement (NAFTA) trading partners: Canada, Mexico and the United States. Establishments are grouped together based on their production processes.

Throughout the publication, information that cannot be released due to disclosure restrictions has been flagged with a "D." In some instances, tables may not add due to rounding.

DEFINITIONS

COVERED EMPLOYMENT

Employers who employ one or more individuals for a portion of a day during 20 different weeks in a year or have wages that equal or exceed \$1,500 per quarter are subject to the unemployment insurance provisions of the Kansas Employment Security Law.

This also includes:

Agricultural employers who employ 10 or more persons during 20 different weeks in a year or have \$20,000 or more in wages in any one quarter.

Domestic service employing units with at least \$1,000 in wages in any one quarter.

This state and any political subdivision and/or instrumentality thereof.

An employing unit that is not subject to the law but elects to come under the provisions of the law.

This excludes:

Federal employees and members of the military.

Railroad employees.

Children under age 21 employed by a parent.

Individuals employed by a daughter, son or spouse.

Employees of churches.

Newspaper carriers under 18 years of age.

Elected officials.

Qualified real estate agents.

Insurance agents paid only by commission.

Oil and gas contract pumpers.

Motion picture and television "extras."

Students, hospital patients, inmates of correctional institutions, and recipients in certain work-training and work-relief programs.

Certain members or managers of limited liability companies.

Temporary emergency workers for natural disasters.

Service performed by an employee which is not part of their regular job and is paid less than \$200 in any one quarter.

Qualified direct sellers.

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS CODES)

NAICS is an industry classification system that groups establishments into industries based on the activities in which they are primarily engaged. It is a comprehensive system covering the entire field of economic activities, producing and non-producing.

ESTABLISHMENT

An establishment, in NAICS United States, may be described as an economic unit, generally at a single physical location, where business is conducted or where services or industrial operations are performed.

REPORTING UNIT

A reporting unit is the economic unit for which an employer submits data on an unemployment tax return, a statistical supplement or other employment and wage report.

EMPLOYMENT

Employment for a given month is the number of employees covered by the Kansas Employment Security Law who work during or receive pay for any part of the pay period which includes the 12th of that month.

TOTAL WAGES

Total wages are the total amount of wages paid to workers covered by the Kansas Employment Security Law for a quarter.

DISCLOSURE RESTRICTIONS

Employment and wage data will not be disclosed for any industry level that has fewer than three reporting units or if one unit accounts for 80 percent or more of employment. Throughout the publication, information that cannot be released due to disclosure restrictions has been flagged with a "D." In addition, K.S.A. 44-714(f) states, "Information thus obtained or obtained from any individual pursuant to the administration of this act shall be held confidential, except to the extent necessary for the proper presentation of a claim by an employer or employee under the employment security law, and shall not be published or open to public inspection, other than to public employees in the performance of their public duties."

North American Industry Classification System (NAICS) Sector Descriptions

Agriculture, Forestry, Fishing and Hunting — Activities of this sector are growing crops, raising animals, harvesting timber and harvesting fish and other animals from farms, ranches or the animals' natural habitats.

Mining — Activities of this sector are extracting naturally occurring mineral solids, liquid minerals, crushing, screening, washing and flotation processing to separate minerals from waste; and various mining support activities. Included are oil and gas extraction, coal or metal mining and quarrying.

Utilities — Activities of this sector are generating, transmitting and/or distributing electricity, gas, steam and water and removing sewage through a permanent infrastructure of lines, mains and pipe.

Construction — Activities of this sector are erecting buildings and other structures (including additions), heavy construction other than buildings and alterations, reconstruction, installation and maintenance and repairs.

Manufacturing — Activities of this sector are the mechanical, physical or chemical transformation of material, substances or components into new products.

Wholesale Trade — Activities of this sector are selling or arranging for the purchase or sale of goods for resale, capital or durable nonconsumer goods, raw and intermediate materials and supplies used in production and providing services incidental to the sale of the merchandise.

Retail Trade — Activities of this sector are retailing merchandise, generally in small quantities, to the general public and providing services incidental to the sale of the merchandise.

Transportation and Warehousing — Activities of this sector are providing transportation of passengers and cargo, warehousing and storing goods, scenic and sightseeing transportation, and supporting these activities.

Information — Activities of this sector are distributing information and cultural products, providing the means to transmit or distribute these products as data or communications and processing data. Included in this sector are publishers, motion picture and sound recording, broadcasting, Internet service providers and publishing and telecommunications.

Finance and Insurance — Activities of this sector involve the creation, liquidation or change in ownership of financial assets (financial transactions) and/or facilitating financial transactions.

Real Estate and Rental and Leasing — Activities of this sector are renting, leasing or otherwise allowing the use of tangible or intangible assets (except copyrighted works), and providing related services.

Professional and Technical Services — Activities of this sector are performing professional, scientific and technical services for the operations of other organizations. This sector includes legal, accounting, engineering, consulting, advertising, veterinary, research and opinion polling services.

Management of Companies and Enterprises — Activities of this sector are the holding of securities of companies and enterprises for the purpose of owning controlling interest or influencing their management decision, or administering, overseeing and managing other establishments of the same company or enterprise and normally undertaking the strategic or organizational planning and decision making of the company or enterprise.

Administrative and Waste Services — Activities of this sector are performing routine support activities for the day-to-day operations of other organizations.

Educational Services — Activities of this sector are providing instruction and training in a wide variety of subjects. Private schools are included in this sector.

Health Care and Social Assistance — Activities of this sector are providing health care and social assistance for individuals.

Arts, Entertainment and Recreation — Activities of this sector are operating or providing services to meet varied cultural, entertainment and recreational interests of their patrons.

Accommodation and Food Services — Activities of this sector are providing customers with lodging and/or preparing meals, snacks and beverages for immediate consumption.

Other Services, except Public Administration — Activities of this sector are providing services not elsewhere specified, including repairs, religious activities, grantmaking, advocacy, laundry, personal care, death care and other personal services.

Government — Activities such as police and fire protection, courts, tribal governments, executive and legislative activities, correctional institutions, public schools, federal, state or local hospitals, public transportation facilities and public utilities are encompassed in this sector.

Note: Quarterly Census of Employment and Wages (QCEW) data are the source for this document. The QCEW reports information by ownership. Federal, state and local governments are included.

Kansas Employment and Wages

First Quarter 2005

STATEWIDE

Table 1 shows Kansas employment and wages by three-digit North American Industry Classification System (NAICS) code for the first calendar quarter of 2005. Total employment for this quarter averaged 1,281,993, with the weekly average wage of \$631. A majority of Kansas' jobs were among combined private sector establishments, which employed 1,041,908 at a weekly wage of \$642. Employment by the government sector averaged 240,085, with an average wage of \$583.

Government employed the most workers with 240,085, followed by manufacturing with 178,332 and retail trade at 146,896. Mining and utilities provided the fewest jobs with employment of 7,167 and 7,234, respectively. Management of companies and enterprises offered the highest weekly average wage of \$1,546. Utilities reported wages of \$1,255 and information recorded \$1,152. Accommodation and food services offered the lowest weekly wage of \$225, followed by arts, entertainment and recreation at \$261.

Covered employment and employing units by size class for the first quarter of 2005 are presented in Table 2 and Figure 1. Kansas firms employing less than five employees accounted for 37,448 or 46.2 percent of the statewide total number of firms. Firms of this size employed 6.0 percent of the total covered workforce or 76,300 workers. Less than 1.0 percent of Kansas firms (76 out of 81,032) employed more than 1,000 employees but account for 177,461 or 14.0 percent of the covered employment. An additional 9,213 employers in Kansas reported zero employment.

Used March 2005 employment.

Federal employment not included.

Figure 1

Covered Employment by Size Class

STATEWIDE (continued)

Monthly Kansas employment by industry sector for the 12-month period from April 2004 to March 2005 is displayed in Table 3. Total monthly employment fell 8,173, a 0.6 percent loss. Government employment dropped 598 or 0.2 percent, mostly at the federal level.

Combined private industry sector establishments accounted for 1,048,468 jobs in March 2005 representing decreased employment of 7,575 or 0.7 percent. Considerable declines in all retail trade's subsectors contributed to a 3,530 or 2.4 percent loss in employment. Other industries reporting substantial decreases in first quarter 2005 were arts, entertainment and recreation, information and construction contracting 2,669 or 19.5 percent, 2,496 or 5.9 percent and 2,211 or 3.5 percent, respectively.

Manufacturing led all private industry sectors reporting rising employment with a gain of 3,462 or 2.0 percent. Educational services and administrative and waste services also exhibited gains of 1,562 and 948 or 15.2 and 1.5 percent, respectively.

Figure 2
Kansas Quarterly Average Employment by Industry Sector---First Quarter 2005

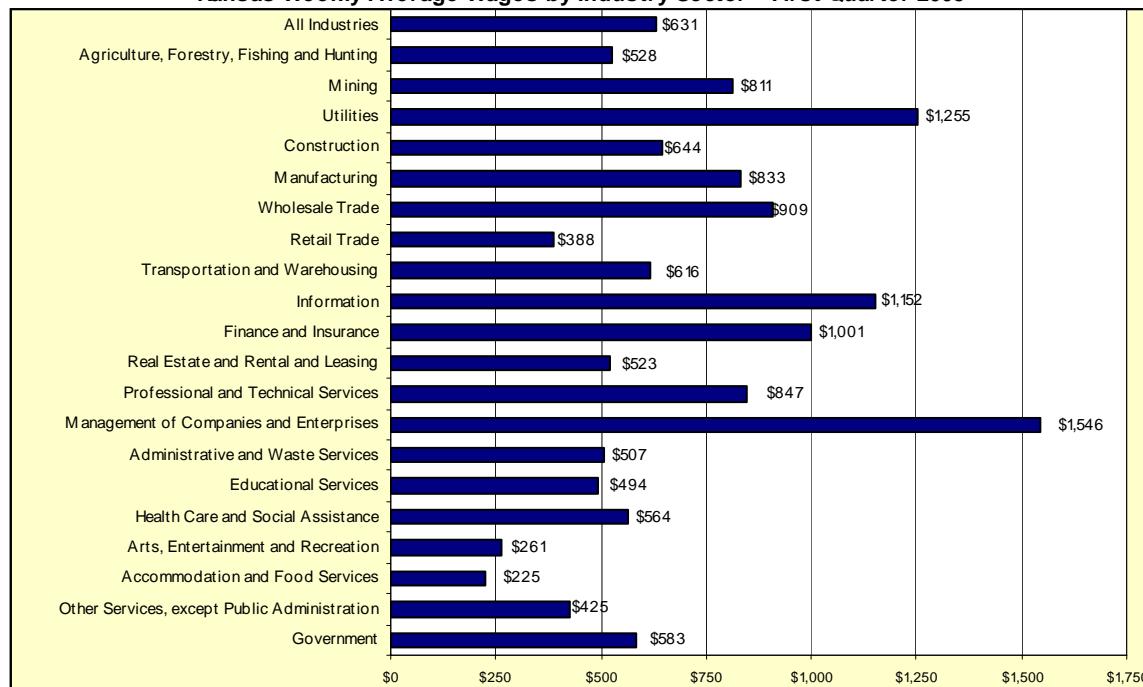

In the first quarter of 2005, the government sector provided the most jobs in the Kansas economy, followed by manufacturing, retail trade, and health care and social assistance. In fact, more than half of all employment in Kansas was in these four industry sectors. Mining and utilities employed the smallest number of workers in Kansas.

Figure 3
Kansas Weekly Average Wages by Industry Sector---First Quarter 2005

The Kansas weekly average wage for the first quarter of 2005 was \$631. Management of companies and enterprises reported the highest weekly wage of \$1,546 followed by utilities at \$1,255 and information at \$1,152. Accommodation and food services along with arts, entertainment and recreation had the lowest wages of \$225 and \$261, respectively.

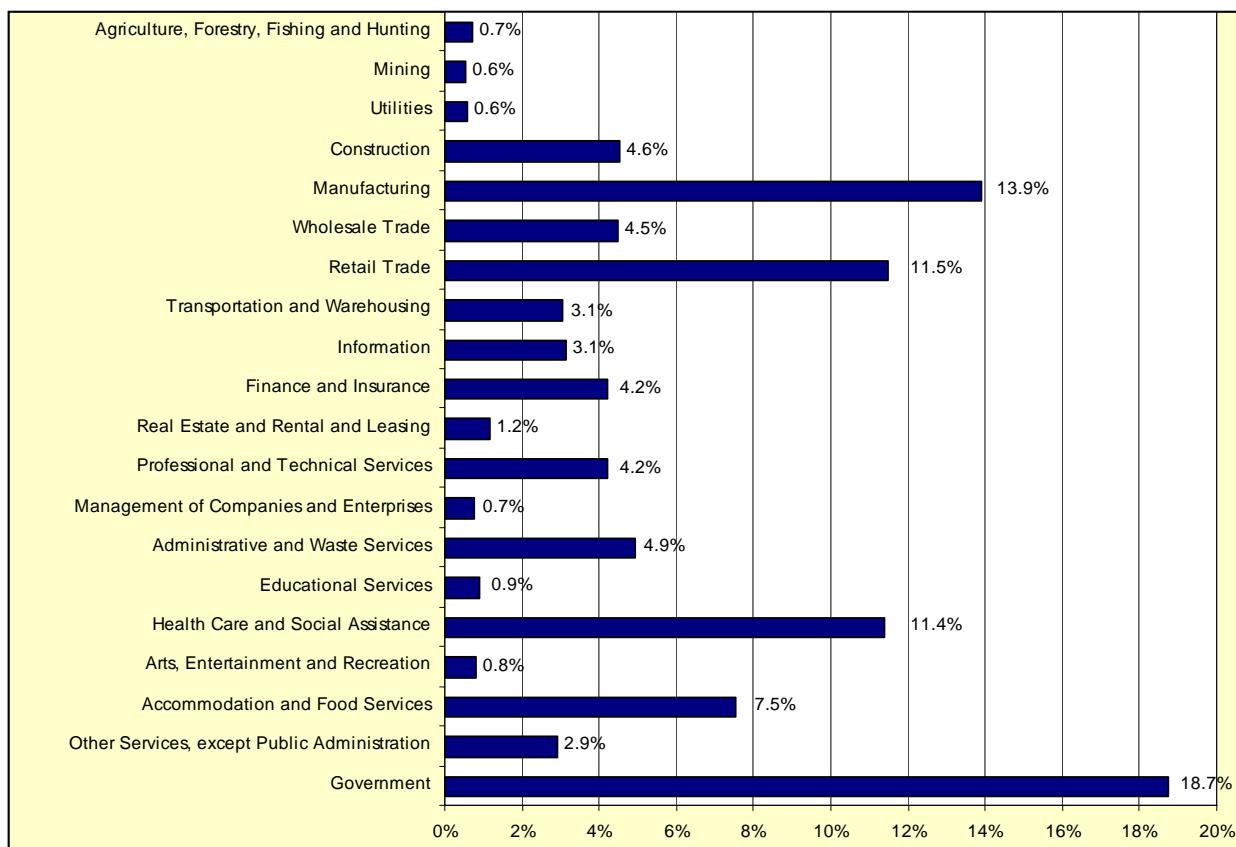

STATEWIDE (continued)

The proportion of each industry sector by percent to total statewide employment for the first quarter of 2005 is detailed in Table 6 and Figure 4. The government industry sector employed 18.7 percent of Kansas' workers. Manufacturing reported 13.9 percent, followed by retail trade at 11.5 percent and health care and social assistance with 11.4 percent. Together, these four major industry sectors employed 55.5 percent of the total Kansas workforce. Mining and utilities provided the smallest percentages of employment, both reporting 0.6 percent.

KANSAS AND MSA EMPLOYMENT

Table 27 and Figure 25 compare employment in Kansas, the Metropolitan Statistical Areas (MSAs), and the rest of the state by industry sector for the first quarter of 2005. The four MSAs accounted for 833,873 or 65.0 percent of total employment in the state. The Kansas portion of the Kansas City MSA is the largest MSA in the state, registering employment of 407,034.

KANSAS PORTION KANSAS CITY MSA

The Kansas portion of the Kansas City MSA has been expanded to include Franklin and Linn counties along with the previous counties: Johnson, Leavenworth, Miami, and Wyandotte.

Table 28 displays employment and wage statistics by three-digit industry code for the first calendar quarter of 2005. Total average employment for the MSA was 407,034, with combined private industry sector and government establishments accounting for 351,097 and 55,937, respectively. The weekly average wage for all industry sectors was \$775. Private industry sector establishments paid \$785, while government wages averaged \$711.

Table 29 and Figure 26 show covered employment and employing units by size class for the first quarter of 2005. More than 45 percent of Kansas City MSA firms employed less than five employees, with total employment of 21,784 or 5.4 percent. In contrast, 26 Kansas City MSA establishments employed more than 1,000 workers, but account for 56,360 jobs or 14.1 percent of all covered employment. An additional 3,403 firms reported zero employment for the Kansas City MSA for the first quarter of 2005.

Monthly employment by industry sector from April 2004 to March 2005 is presented in Table 30. Total employment for the Kansas City MSA grew 282, up 0.1 percent for this reporting period. Educational services led all industry sectors reporting gains, increasing 1,509 or 44.3 percent. Administrative and waste services rose 1,366 or 4.6 percent; government added 947 or 1.7 percent. Information reported employment losses of 1,889 or 7.7 percent. Arts, entertainment and recreation fell 859 or 16.3 percent.

Figure 28

Kansas Portion Kansas City MSA Weekly Average Wages by Industry Sector---First Quarter 2005

The weekly average wage for all industry sectors for the first quarter of 2005 was \$775. Management of companies and enterprises reported the highest weekly average wage of \$1,785, followed by information at \$1,525 and utilities at \$1,274. Accommodation and food services as well as arts, entertainment and recreation recorded the lowest weekly wages of \$304 and \$309, respectively.

WICHITA MSA

The Wichita MSA has been expanded to include Sumner County along with the previous counties: Butler, Harvey and Sedgwick.

Wichita MSA quarterly employment and wage information by three-digit industry code for the first calendar quarter of 2005 is shown in Table 33. Total average employment for the MSA was 275,821, with 237,816 from combined private industry sector establishments. The manufacturing, government, and health care and social assistance industry sectors provided the most employment of 59,650, 38,004 and 34,824, respectively. Agriculture, forestry, fishing and hunting reported the smallest employment of 486. The weekly average wage for all industries in this period was \$675. Private ownership firms reported average wages of \$686 and government paid an average of \$607.

Table 34 and Figure 29 present covered employment and employing units by size class for the first quarter of 2005. More than 43 percent of Wichita MSA firms employed less than five employees, with 12,930 jobs or 4.8 percent of total employment. Only 16 firms employed more than 1,000 employees, but account for 59,775 jobs or 22.0 percent of the total covered employment. Additionally, 1,398 Wichita MSA establishments reported zero employment for the first quarter of 2005.

Monthly employment from April 2004 to March 2005 is illustrated in Table 35. Total employment for the Wichita MSA rose 463 overall; up 0.2 percent. Manufacturing, gaining 2,037 jobs or 3.5 percent, led all increasing industry sectors followed by health care and social assistance gaining 1,268 or 3.8 percent. Construction led all declining industry sectors, losing 867 jobs or 5.6 percent. Wholesale trade and information reported drops of 793 and 687 or 7.0 and 10.9 percent, respectively.

Figure 31
Wichita MSA Weekly Average Wages by Industry Sector---First Quarter 2005

The average weekly wage for all industry sectors for the Wichita MSA in the first quarter of 2005 was \$675. Management of companies and enterprises reported the highest weekly wage of \$2,469, followed by utilities and mining at \$1,357 and \$1,095, respectively. The lowest average of \$208 was recorded by accommodation and food services.

TOPEKA MSA

The Topeka MSA has been expanded to include Jackson, Jefferson, Osage and Wabaunsee counties along with Shawnee County. Table 38 shows employment and wages by three-digit industry code for the Topeka MSA for the first calendar quarter of 2005. Total employment for the MSA was 105,120 with the weekly average wage of \$608. Combined private industry sector firms employed 78,664 with an average wage of \$602. Government, the largest employer among all industry sectors, employed 26,455 with a weekly wage of \$623. Agriculture, forestry, fishing and hunting, at 107, posted the least employment. Quarterly average employment in the mining and utilities industry sectors could not be released due to disclosure restrictions.

Covered employment and employing units by size class for the first quarter of 2005 are presented in Table 39 and Figure 32. More than 44 percent or 2,540 of the Topeka MSA firms employed fewer than five employees, accounting for 5,391 jobs or 5.2 percent of employment. Only 11 firms employed more than 1,000 employees but accounted for 17,788 jobs or 17.2 percent of the covered employment. An additional 559 establishments reported zero employment for the Topeka MSA for the first quarter of 2005.

Monthly employment by industry sector from April 2004 to March 2005 is presented in Table 40. Losing 2,407 jobs, the Topeka MSA displayed a 2.2 percent decrease for the 12-month period. Arts, entertainment and recreation fell 1,127 or 58.9 percent, due to an establishment moving to a different NAICS sector. Accommodation and food services and finance and insurance expanded 633 and 315 or 8.8 and 5.5 percent, respectively.

Figure 34
Topeka MSA Weekly Average Wages by Industry Sector---First Quarter 2005

The weekly average wage for all industry sectors for the Topeka MSA in the first quarter of 2005 was \$608. Management of companies and enterprises, at \$1,136, recorded the highest weekly average wage. Arts, entertainment and recreation, reporting \$229, had the lowest weekly wage. Average wages for the mining and utilities industry sectors could not be released due to disclosure restrictions.

LAWRENCE MSA

The Lawrence MSA (Douglas County) employment and wage information by three-digit industry code for the first calendar quarter of 2005 is presented in Table 43. Total employment for the MSA was 45,898, with 34,498 from combined private industry sector establishments and 11,400 from the government industry sector. Retail trade and accommodation and food services followed government in providing the most jobs at 5,745 and 5,686. The weekly average wage for all industry sector establishments was \$514, with \$455 and \$694 for private and government sector establishments, respectively. Disclosure restrictions prohibit the release of quarterly average employment data for the mining and utilities industry sectors.

Covered employment and employing units by size class for the first quarter of 2005 are illustrated in Table 44 and Figure 35. More than 45 percent of Lawrence MSA firms, or 1,268 units, employed less than five, totaling 2,640 or 5.6 percent of employment. There were only eight establishments with 500 or more workers, accounting for 26.0 percent of employment. In addition, 280 Lawrence MSA firms reported zero employment for the first quarter of 2005.

Monthly employment by industry sector from April 2004 to March 2005 for the Lawrence MSA is provided in Table 45. Total employment contracted 2,141, a 4.4 percent decrease over the 12-month period. Losses were recorded in all but four reported sectors, the largest being in professional and technical services of 1,212 or 32.0 percent because of an establishment reclassification to a different NAICS sector. Adding 289 and 154 jobs or 13.7 and 13.2 percent, respectively, were other services, except public administration, and transportation and warehousing.

Lawrence MSA Weekly Average Wages by Industry Sector---First Quarter 2005

The weekly average wage for all industry sectors in the Lawrence MSA for the first quarter of 2005 was \$514. Management of companies and enterprises offered the highest weekly wage at \$908 while accommodation and food services paid the lowest at \$184. Disclosure restrictions prohibit publishing average wage data for the mining and utilities industry sectors.
